# Toledo s parking rates among lowest in U.S.

Parking rates in metro Toledo are among the lowest in the nation, according to a survey released by the National Parking Association.

Daily rates locally ranged from \$3.25 to \$8 compared to an average maximum nationwide of \$20, the organization said. The survey found the weekday rates were \$5 to \$15 in Cincinnati, \$4 to \$15 in Cleveland, and up to \$13 in Columbus.

The highest rates were in Los Angeles and San Francisco, which each had maximum weekday rates of \$50. The survey includes rates in 96 US and Canadian cities.
